

UNIVERSIDAD DE GRANADA

Facultad de Psicología

I International Congress "Brain Dynamics and Consciousness"

05/04/2022

Los días 20 a 22 de abril de 2022 se realizará en la Universidad de Jaén el I International Congress "Brain Dynamics and Consciousness"

Lugar: Violet room (Building C1); Universidad de Jaén (Spain)

Entrada libre

Programa del Congreso

April 20-22, 2022

I International Congress "Brain Dynamics and Consciousness"

Violet room (Building C1; Universidad de Jaén (Spain). Free entry. Certificate of attendance on request.

Wednesday, April 20, 2022	Thursday, April 21, 2022	Friday, April 22, 2022
<p>15:00 Welcome desk opening 15:15 Opening Ceremony 16:30 Keynote Speaker Gustavo Deco, Instituto Cajal and de Investigación Científica (ICajal), The thermodynamics of mind 17:15 Coffee break 18:00 Keynote Speaker Jaquiná S. Torres, Universidad de Granada Physics clues on brain's activity dynamics 19:45 Coffee break & networking 20:00 Get together 21:00 Dinner around</p>	<p>9:00 Welcome desk opening 9:30 Keynote Speaker Silvana Silva Pereira, Universidad Pompeu Fabra Language rhythm: Does natural language affect neural entrainment? 9:45 Coffee break 10:00 Keynote Speaker Javier Garza, Universidad Pompeu Fabra Brain, consciousness and other dances 12:00 Keynote Speaker Morten Høngshøj, University of Oxford Landscapes of mind: The orchestration of human consciousness 13:00 Poster session</p>	<p>9:00 Welcome desk opening 9:30 Keynote Speaker Ana Chica, Universidad de Granada Bases cerebrales de las interacciones entre la atención y la conciencia 10:15 Coffee break 11:00 Keynote Speaker Inmaculada Gayte, Universidad de Sevilla ¿Se puede controlar sistemáticamente un proceso dinámico? Aplicación a la terapia 12:00 Keynote Speaker Ramón Quirera, Universidad de Padova Coordinated neural dynamics: from brain pathologies to consciousness 13:00 Closing</p>
