

Incoming Students

General information regarding registration at the University of Granada as an exchange student (Erasmus program included) can be found at the website of the "[Vicerrectorado de Relaciones Internacionales](#)" of the [University of Granada](#).

Before application, the Erasmus coordinator at your home university must nominate you as a prospective mobility student. The application will not be validated until we receive your nomination directly from her/him at [@email](#)

All the courses are lectured in Spanish. However, there is one course in English offered specially for mobility students (Cognitive Neuroscience, first term).

Spanish Language Courses are organized by the "[Centro de Lenguas Modernas](#)" (Modern Languages School). For any information on Spanish courses please visit [Modern Languages School website](#).
